ORCHARD PARTNERS RENEWS LEASE WITH CISCO SYSTEMS

September 1, 2007---Orchard Partners announces that Cisco Systems, Inc. has renewed its lease at Orchard's recently renovated Office/R&D building located at 1545 Barber Lane in Milpitas, California. Scott Mathisen and Erich Sengelmann of Jones Lang LaSalle represented Cisco Systems, Inc. Orchard Partners acquired the 85,040 square foot partial two-story building in September 2006 with plans for extensive exterior renovations which were completed in 2007.

"The property turned out to be ideally suited for Cisco's continued occupancy due to the existing interior infrastructure", stated Michael J. Biggar, Managing Partner of Orchard Partners, LLC. "As a result of our exterior and lobby renovations, Cisco also found the building to be consistent with their image requirements for a superior quality building."

The Barber Lane property was the first property acquired by Michael J. Biggar and Tyler W. Higgins in their Orchard Partners venture. Orchard Partners is currently seeking additional acquisition opportunities in these and other markets.
